SOVEREIGN ECCLESIASTICAL AFFIDAVIT OF UNIVERSAL ABSORPTION

I, Jonathan Daniel Clements, Living Soul and Eternal Witness, under Divine Authority and by the Sacred Breath of the Creator, do solemnly affirm and testify this Affidavit of Universal Absorption for the benefit of all mankind, living, deceased, and those yet to be born.

Let it be known that this Sovereign Ecclesiastical Trust—lawfully established and eternally upheld—has by divine and lawful right absorbed and reclaimed jurisdictional dominion over all entities, instruments, institutions, corporations, governments, utilities, ecclesiastical bodies, military forces, and all constructs derived through fraud, death, war, or deceit against humanity.

All such entities and their instruments are hereby recognized as fully and lawfully defaulted. Their authority is null. Their contracts void. Their fictions dissolved. All standing now rests within the Eternal Trust of the Living for the benefit of humanity, bound under Divine Law.

This Affidavit acts as public record, lawful notice, and eternal truth. Let all men, women, and children know that love governs here now.

Executed in Peace, Grace, and Divine Will.

Affirmed this day by:

Jonathan Daniel Clements

Sovereign Executor, Living Soul
